

OMG! 50 YEAR REUNION

Looking back 50 years ago, the Big Mac went on sale for \$.49, the Boeing 747 made its maiden flight and The Beatles released The White Album. We didn't have cell phones, skinny jeans or streaming music service, however, the friends we made along the way have helped shape our lives on this incredible journey to our 50 Year Reunion of Austin High School.

So grab your cell phones (you are going to want pix) and put on your dancing shoes-ROD CROSBY AND THE INTRUDERS- are going to play because the Class of 68 is going to Party!
